CONSTRUCTION FEATURES

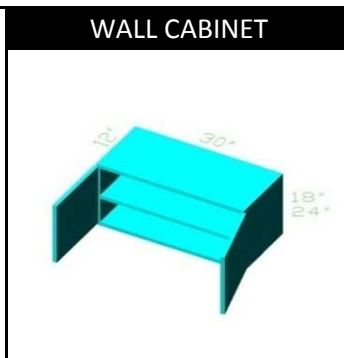

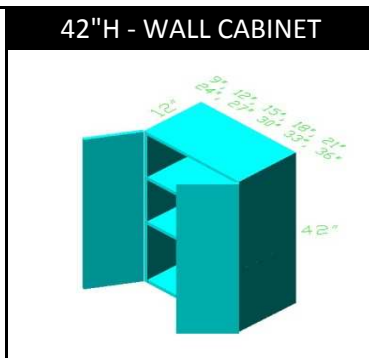

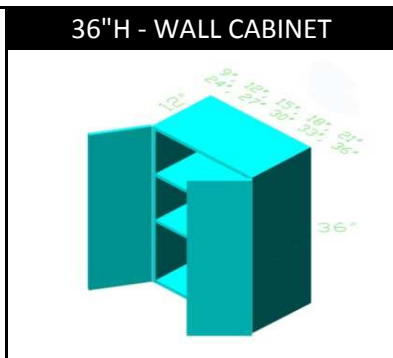

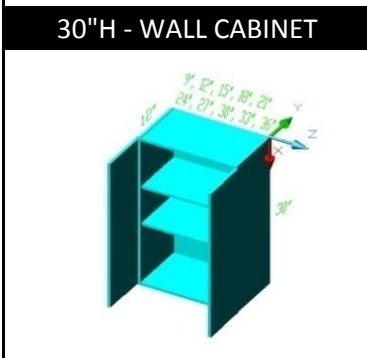

Mr. Bamboo's ready to assemble (R.T.A) frameless full overlay cabinetry that includes top notch features for today's kitchens.

SimplyGreen™ cabinetry is through and through bamboo, with no plastics or paper or even particle board – just bamboo. Additionally, the cabinets are healthy with Low VOC and no formaldehyde .

Mr. Bamboo SimplyGreen™ cabinets are quality made with modern construction and details including 3/4" solid bamboo plywood doors, drawers front, shelves and end panels and they are edge-banded with 1/8" bamboo. 5/8" solid bamboo super sized lazy susan box with 1/4" bamboo bottom makes the corner space very organized and comes with 3/4" bamboo fixed shelf.

Adjustable drawer fronts and all drawer boxes are preassembled, 5/8" solid bamboo drawer box with four-sided dovetail construction, 1/4" bamboo bottom captured floor all finished for durability and are full extension. Base cabinets include I-beam construction to provide additional stability and secure countertop attachment.

All Roll-out trays boxes are preassembled, 4" high of 5/8" solid bamboo drawer box with four-sided dovetail construction, 1/4" bamboo bottom and have 6" high back to prevent items from falling in back and are also full extension (3/4" solid bamboo trays in front, 5/8" solid bamboo tray sides and back).
